

Corporate STEWARDSHIP Opportunities

Vancouver Watersheds Alliance offers volunteer opportunities to businesses of all sizes. Come improve the health of our local watersheds by getting your company outdoors to participate in hands on projects that improve water quality and the livability of our community.

Is it time for a change of pace? Need to get out of the office? Come volunteer together for a team building or company service day!

PROJECT OPTIONS

- Tree and shrub planting
- Invasive plant removal (ivy pulls, blackberry digs)
- Litter clean up

WE PROVIDE

- Customized project planning and oversight
- Tools, gloves, water
- Social media spotlight on our Facebook/website
- Post-event results report

YOU PROVIDE

- At least 10 people
- Time-frame and group objectives
- Enthusiasm and community spirit

BENEFITS

- Get outdoors and make a difference in the community
- Opportunity for team building, leadership, and morale boosting
- Some corporations provide employee incentives for volunteer time, matching donations, etc.

ADDITIONAL OPPORTUNITIES

- Combine your group event with another group for networking or friendly competition
- Make it a family event or a company picnic
- Join our annual large scale events: MLK Day (January) or Make a Difference Day (October)
- Donating is easy via our [website](#)
- We also accept in-kind donations. Call our office for details.

A partial list of companies we have done custom projects with:

Additional Self Storage • Comcast • Evergreen Memorial Gardens • Jet Blue • Kaiser Permanente • New Seasons Market • Wells Fargo
